

You can visit Somerville Open Studios based on location, artist, and even type. On the Artist directory at <https://www.somervilleopenstudios.org> you can filter by medium, such as fiber and textiles, glass and mosaics, pottery, and more.

You've traveled far and wide and now have four puzzle solutions in hand. Combine them below to note what a special year it is for Somerville Open Studios.

To check if you're right, take the final answer, smush it together (no spaces), make it lowercase, and add it to the end of this URL:

https://bit.ly/sos_____

For example, if you thought the answer was "LOVELY TIMES" you would put <https://bit.ly/soslovelytimes> to check if you're right. (And if you are stuck on this or other puzzles, go to <https://bit.ly/soslovelytimes> for hints.)
